

DEAR APPLE, IT'S TIME I REPAID YOU.

From the classic click wheel iPod, to the iPad touch...nano, shuffle, 4 laptops, of course the iPhone, some iPads (plus the Pencil), AirPods, AirPods Pro...The Apple Store on Michigan Avenue where I like to eat lunch – decades of my life have been enriched by your brand.

My career & talents have been built on your products. My philosophies & opinions have been shaped by your alumni.

All this company has done for me, isn't it time I did something for you?

Let's talk soon,

A handwritten signature in dark teal ink that reads "Robert Buber". The signature is fluid and cursive, with the first name and last name clearly distinguishable.
